

GUIDANCE FOR PEOPLE AVOIDING GLUTEN INTAKE

The below list contains SuperValu own brand products that are suitable for Coeliacs or people limiting their intake of gluten. The products listed below contain ≤ 20 ppm (parts per million) of gluten or are made without gluten containing ingredients and have controls in place during manufacture to minimise the risk of cross contamination with gluten containing ingredients. This information is issued only as a guide to our customers. Whilst we take every care to ensure this production information is correct, food and drink products are subject to update due to recipe or supplier change. For this reason, we advise our customers to always check the ingredient list and allergen information on all product labels to ensure it suits your dietary requirements. SuperValu do not accept liability for the consequences of such changes. Please note products are subject to availability and may be not available in all stores. Should you have any queries regarding Coeliac Disease we encourage you to contact the Coeliac Society of Ireland.
